Our rooftop is home to Finland's smallest commercial distilling company, and the first nano-distilling concept. The purest expression of our gin.

Skyline Gin & Ginger

A variation of our gin aged with French oak, paired with spicy ginger ale.

Gins N' Roses

Rose Lemonade compliments our gin with a floral sweetness, let's reminisce about last summer together.

Konepajan Sunset

Intensely red and utterly delicious. Just like the view from our rooftop terrace.
